

Taufschein Baptismal Certificates (Order Form)

Taufschein is in color and matted to a fit a 12" x 16" frame.

The Taufschein is a baptismal certificate once common in Lutheran and Reformed communities in southeastern

Pennsylvania that makes use of Fraktur, the manuscript art of the Pennsylvania Germans. In this 500th anniversary year of the Reformation, we are celebrating our history and making investments in the future of the church.

The East Berks Mission District of the Northeastern Pennsylvania Synod (ELCA) commissioned Kempton artist Jonathan Bond to create a modern version of these certificates, so that these beautiful remembrances of our baptismal identity will hang in homes for generations to come.
